

Guidelines for DCA Sponsorships

One of the Dampier Community Association (DCA)'s primary mandates is to advance **community engagement** and promote a **sense of community** amongst residents of Dampier. This aligns with the Community Priority of 'Encourage community engagement and connection' as identified in the Dampier Community Plan 2014-2019.

DCA sees community engagement as encouraging and supporting residents of Dampier to be active and involved in community groups and events, in order to build a vibrant and connected community in Dampier.

DCA supports community members, groups, clubs and organisations through sponsorship and donations for activities and events that show a clear link with this objective.

Groups, clubs, organisations or community members applying for DCA funding must demonstrate in their application how their overall organisational objectives, as well as the goals of the particular event, activity or project for which they are seeking funding, relate to DCA's objective of encouraging community engagement and connection.

DCA offers three types of sponsorship categories;

- **Community Group Sponsorship**
- **Community Member Sponsorship**
- **In-Kind Donations**
